- contract negotiation
- maintain contact with clients and prospect of the market for new clients

**MARCH-2005 - SEPTEMBER-2008**

**CERTIFIED PROSTHETIST AND ORTHOTIST, ORTHOLIFE S.R.L**

- production of prosthesis and orthosis
- implementation of new techniques and products
- development of new composites materials for prosthetic sockets
- podobarographic evaluation
- gait analysis for prosthesis

**NOVEMBER-2010 - MARCH-2015**

**ASSOCIATED PROFESSOR, UMF –FACULTY OF BIOENGINEERING IASI**

- teaching biomechanics and rehabilitation
- research activity for scoliosis rehabilitation
- research activity for modular sockets with fast curing resins and soft socket technologies

**APRIL-2016 - CURRENTLY**

**CPO FREELANCER,**

- training technicians for the field of orthotics, prosthetics and rehabilitation
- know-how research technology
- working in different projects in Irak (collaboration for Ossur products implementations with Prostheda AB)

- develop new composites materials with Comfil SA Sweden through Romanian factory production base.
- osseointegration project with dr. Munjed al Muderis project in Baghdad through Prostheca AB Sweden
- working and training program at Orthocare Egypt – prosthesis, orthosis and training program for different laboratories for prosthetic and orthosis.

#### **APRIL-2017 - CURRENTLY**

- **CPO RANK 8 UNIVERSITY HOSPITAL, PEDIATRIC DEPARTMENT**
- **SCOLIOSIS SPECIALIST FOR SC SCOLIOKID SRL**

## **EDUCATION**

**AUGUST 1996**

**BSC, MATHEMATICS AND PHYSICS HIGH SCHOOL “C.NEGRUZZI” IASI**

**JULY 2002**

**MSC, FACULTY OF BIOENGINEERING**

Bioengineering study for biomaterials, prosthetics technologies.

Erasmus student in Portsmouth UK mobility in 2000.

Bronze medal at Geneva Exhibition for a knee joint system 2002.

Gold medal at Inventica 2013 Romania

## **SKILLS**

- Very good communication and leadership
- Wide knowledge about composites materials and fabrication technologies
- Foreign languages – English, French, Italian
- Working with different tools – lathe, mills, sewing machine, thermoforming, lamination
- Business strategies, sales, body language, psychology of rehabilitation

## **ACTIVITIES**

I like to play judo (I use to play professional) and to take care of my rose garden. Aquarium fishes is one of my preoccupation and I like to meet with my friends every Sunday at the local Guppy Club.
